There would be no other county-wide issues to be decided at that time, and with Los Angeles city paying about seven-twelfths of the cost of the election the county could pay the other five-twelfths for the other 43 cities and the unincorporated area, committee members point out.

"Simplification of governmental functions" would probably afford Mayor Frank L. Shaw a good campaign issue that might easily outweigh all of the others,

To Make a Long Tale Short

Two Scotchmen made a bet of a dollar, each saying he could stay under water the longest. The result: both were drowned. Hard way to try to earn a dollar; the best way we know of to make plenty of dollars is to drive one of our reconditioned used cars. Train fare for one will cost as much as transportation for five in an automobile. Think it over if you are contemplating a trip.

Seven thousand head of large and small stock, including the cream of the flocks and herds of the coast, are entered in the premier livestock show. The largest poultry, pigeon and rabbit show in America will be offered to the fair visitors. Over 3,000 entries are listed in the household arts department wherein practically every phase of women's activities in the home is represented. Half a million dollars worth of art treasures will be found in the fine arts building while the arts and crafts division will afford a rare opportunity to see the latest in practical creations.

 Thousands of city and county school children of Southern California are represented in the wonderful educational display. A junior fair presenting a fair within a fair will prove an inspiration to young and old because of the constructive youth activities it represents. Boy and girl scouts, campfire girls, woodcraft rangers and other youth and character building organizations will also be represented in this division.

Gala Parade
 Heading the glamorous entertainment program will be La Fiesta del Rancho San Jose, a magnificent historical pageant parade commemorating the 100th anniversary of the coming of the Spanish into the eastern part of the rich San Gabriel valley. Staged by the communities, civic and pioneer organizations of the southland, this glorious procession of golden memories promises to far eclipse anything of the kind ever before attempted in the West. A thousand costumed persons and half a thousand gaily decorated horses will participate.

Night Horse Show
 Over a thousand of the fastest trotters, pacers and runners will participate in the 17 days and three nights of thrilling horse racing before the huge new steel and concrete grandstand. As usual, the pari-mutuals will afford an added attraction to the speed contests. Foremost stables in America will be represented in the brilliant night horse shows to be staged the first nine nights.

A giant midway, breath-taking circus acts, pageants, reunions, massed bands, pyrotechnics and countless other attractions will serve to round out the busy days.
